ping-pong replicating OR replication OR replicate

[Search Patents](#)[Advanced Patent Search](#)

Patents

Patents 1 - 10 on ping-pong replicating OR replication OR replicate. (0.01 seconds)

Bidirectional database replication scheme for controlling ping-ponging

US Pat. 6122630 - Filed Jun 8, 1999 - ITI, Inc.

... LLP [57] ABSTRACT Transaction ping-pong is selectively prevented in a ...
other nodes for replication in the databases of the one or more other nodes. ...

Method and system for self-replicating manufacturing stations

US Pat. 6510359 - Filed May 11, 2000 - Zyvex Corporation

Furthermore, a most preferred embodiment may implement two (or more) surfaces
that are arranged to enable a "ping-pong" mode of replicating assembly ...

Replicating or semi-replicating viral constructs, preparation and uses for gene delivery

US Pat. 6485965 - Filed Jun 8, 2000

Gundlach et al, "Construction, Replication and Immuno- genic Properties of a ...
Vectors Using Ping-Pong Techniques", Journal of Molecular Medicine, vol. ...

Collision avoidance in bidirectional database replication

US Pat. 6662196 - Filed Mar 16, 2001 - ITI, Inc.

For simplicity, the systems described herein do not show the ping-pong prevention
schemes. As discussed above, collisions may occur in database replication ...

Method and apparatus for executing unresolvable system bus operations

US Pat. 6192453 - Filed Jul 13, 1998 - International Business Machines Corporation

This makes a Ping-Pong deadlock more likely to occur in systems with ...
while avoiding a Ping-Pong deadlock and preventing replication of operations. ...

Inhibiting the growth p53 deficient tumor cells by administering the p53 gene

US Pat. 6017524 - Filed Oct 13, 1992 - Board of Regents, The University of Texas System

In the present system, no detectable replication-competent virus were ...
The three specific recombination events required to generate replication-competent ...

Magnetic bubble domain organization using double period input/output devices

US Pat. 4263661 - Filed Jun 11, 1979 - Rockwell International Corporation

3 is a replicate/transfer switch. 65 FIG. 4 is a swap gate design. ... 1, there
is shown a schematic representation of a block replicate organization using ...

Specific tolerance in transplantation

US Pat. 6306651 - Filed Aug 13, 1997 - The General Hospital Corporation

No replication-competent helper virus was detected. 55 Amplification of virus
titer was achieved by the ping- pong technique. Since there is evidence that ...

Specific tolerance in transplantation

US Pat. 5614187 - Filed Jun 27, 1994 - The General Hospital Corporation

50 No replication-competent helper virus was detected. Amplification of virus
titer was achieved by the ping- pong technique. Since there is evidence that ...

Cancer treatment with retroviral vectors comprising wild-type p53

US Pat. 6998117 - Filed Jun 2, 1995 - Board of Regents, The University of Texas System

... but in their assay all of the high-liter cell lines after **ping-pong** infection
also produced **replication**-competent viruses (Bod-ine et al., 1990). ...

Patents

 Patents 1 - 10 on **unread replicating OR replication OR replicate**. (0.27 seconds)

Record tracking in database replication

US Pat. 5819272 - Filed Jul 12, 1996 - Microsoft Corporation

 The method of claim 11 wherein for **replication** of storing per user read/**unread** data indicating which of a conflict records a plurality of change numbers, ...

System and method for unified messaging with message replication and synchronization

US Pat. 6792085 - Filed Sep 10, 1999 - Comdial Corporation

 situation of a read, ie, old, message in the workstation 101 and a new, ie, **unread**, message in the voice-mail server 200 to synchronize to a read message. ...

Digitized stored voice paging receiver

US Pat. 4965569 - Filed Mar 14, 1989 - Motorola, Inc.

 If the state is higher than the number of mes- are any other **unread** ... the CODEC and **replicating** the voice informa- sages, the system is vectored to an ...

Digitized stored voice paging receiver

US Pat. 5455579 - Filed Aug 7, 1990 - Motorola, Inc.

 10B, the **unread** message counter is decremented to signify the playing back of an ... and **replicating** the voice information on the synthesized audio channel, ...

Copy protected DVD and method for producing and validating same

US Pat. 7069491 - Filed Nov 27, 2001 - Macrovision Europe Limited

replication manufacturing process that includes glass mas- j- 1 T j • ^ Tl 1 ... the sector is generally **unread**- goes a well-defined series of processing ...

Compressing sets of integers

US Pat. 5940833 - Filed Jul 12, 1996 - Microsoft Corporation

 Database **replication** requires that changes to records in one replica be ...

"Replicating Deletion Information Using Sets of Deleted Record ids," and ...

Voice paging system providing deferred paging capability

US Pat. 4868560 - Filed May 11, 1988 - Motorola, Inc.

 As messages are stored, the message is flagged as being read or **unread**.

 Messages received hi the normal ... 5, are always flagged **unread** until the message ...

Cloning vectors and vector components

US Pat. 6709861 - Filed Nov 15, 2001 - Lucigen Corp.

 Therefore, 24/522 or 4.2% of the reactions will be **unread**-able due to multiple insertions of a given selectable marker. EXAMPLE 6 Construction of a Direct ...

Method for analyzing autoradiograph for determining base sequence of nucleic acid

US Pat. 4982326 - Filed Oct 4, 1989 - Fuji Photo Film Co., Ltd.

 ... are organisms in order to make the function or **replication** ideally resolved,

 ... comparing the positions **unread** bands are hardly distinguished from each ...

Space-time memory

US Pat. 6067604 - Filed Aug 11, 1997 - Compaq Computer Corporation

... can be tracked by **replicating** the components enclosed by the dashed lines 760.

... ensures that the most recent **unread** image histogram will be returned, ...

Patents

Patents 1 - 9 on message unread replicating OR replication OR replicate. (0.26 seconds)

Record tracking in database replication

US Pat. 5819272 - Filed Jul 12, 1996 - Microsoft Corporation

Otherwise, the **message** is marked **unread** (step 78). If the **message** is not a **replication** conflict Aged Out cns is the set of change numbers corresponding to ...

System and method for unified messaging with message replication and synchronization

US Pat. 6792085 - Filed Sep. 10, 1999 - Comdial Corporation

Then, for example, the agent 110 determines that yes, the e-mail **message** 100 ... old, **message** in the workstation 101 and a new, ie, **unread**, **message** in the ...

Digitized stored voice paging receiver

US Pat. 4965569 - Filed Mar 14, 1989 - Motorola, Inc.

Therefore, the **unread message** indicator is extin- C. Play A Routine most ... the CODEC and **replicating** the voice informa- sages, the system is vectored to ...

Digitized stored voice paging receiver

US Pat. 5455579 - Filed Aug 7, 1990 - Motorola, Inc.

10B, the **unread message** counter is decremented to signify the playing back of an ... and **replicating** the voice information on the synthesized audio channel, ...

Voice paging system providing deferred paging capability

US Pat. 4868560 - Filed May 11, 1988 - Motorola, Inc.

As messages are stored, the **message** is flagged as being read or **unread**. Messages received in the normal operating mode are always flagged as being read. ...

Paging receiver for storing digitized voice messages

US Pat. 4873520 - Filed Nov 2, 1987 - Motorola, Inc.

The digital is 20 25 TABLE 1 **Message** Length as a Function of Bit Rate and Memory ... **replicating** the real time audio signal in both amplitude and frequency. ...

System for transporting information objects between a user station and multiple remote sources based upon user modifiable object manifest stored in the user station

US Pat. 6125388 - Filed Dec 1, 1997

Jacob Palme "Distribution Agents (mailing lists) in **Message** Handling Systems" ... Jacob Palme "You Have 134 **Unread** Mail! Do You Want to Read Them Now? ...

Communications system for transferring information between memories according to processes transferred with the information

US Pat. 6044205 - Intermind Corporation

Lothar Wosnitza "Group Communication the MHS Context" Computer **Message** Systems ... T. Purdin, R. Schlichting & G. Andrews "A File **Replication** Facility for ...

Methods for transacting electronic commerce

US Pat. 6594692 - Filed Apr 29, 1996

Jacob Palme "You Have 134 **Unread** Mail! Do You Want to Read Them Now?" Computer-Based **Message** Services IFIP, 1984. Michael Caplinger "An Information System ...

message unread replicating OR replication O
